Symposium in Frankfurt

Photonics in Measurement

International Symposium on Photonics in Measurement
23/24 June, 2004, Frankfurt, Germany
on the occasion of the International Trade Fair "Optatec"
Founder and first SECRETARY GENERAL of IMEKO

1958-1991 † Professor György Striker (Hungary)
(1958-1985)

The Secretary General fulfilled the duties of President until 1971

Budapest, Hungary, 1961 World Congress
György Striker Junior Paper Award

**Purpose**: donation of the Founder and first Secretary General of IMEKO and his wife, to be given to a junior author under 35 years of age, whose paper reflects a deep understanding and knowledge of the theme of a World Congress.
The International Measurement Confederation (IMEKO) invited applications for the György Striker Junior Paper Award 2003 subject to the following rules:

1. The sum of the award is USD 1100.
2. Only one person will be awarded: a junior author under the age of 35 years (by the date of the Congress: June 22, 2003).
3. The applicant should be the principal author of a high-level scientific paper on one of the topics of the Congress.
4. The International Programme Committee (IPC) will do the preliminary selection on the basis of quality and the scientific novelty of the submitted abstracts. The final decision is made by the Chairmen of the TCs and by the President of IMEKO based on the full text received.
Laureate 2003

Marcin Gnyba
Gdansk University of Technology, Poland

Paper:

"Sol-Gel Materials Investigation by Means of Raman Spectroscopy"
Laureate 2003 Marcin Gnyba
Laureate 2003

Raman spectroscopy for investigation of sol-gel materials and ceramic materials

Marcin Gnyba
Gdańsk University of Technology
POLAND

"Photonics in Measurement" - Frankfurt 2004
Future IMEKO World Congress

IMEKO XVIII  
Rio de Janeiro  
Brazil  
2006

Theme:  
Metrology for Sustainable Development
Send in high quality papers and check your age by 2006. Maybe YOU will win the next Stiker junior paper award!
