TC 12 website.

Work is in progress for setting up a website dedicated to TC12 activities. The Secretary of TC12 (*E. Tegeler, PTB*) along with the IMEKO webmaster (*D. Röske, PTB*) have set up a preliminary version that is gradually being updated. The site will be physically located at PTB, along with the main IMEKO website and that of several other TCs. It is expected that this Newsletter will be posted in the future on the website, that will also contain appropriate links to TC12 events.

Other topics of interest concerning recent changes in TC12 are reported in the Section on TC12 News.

I am taking this occasion to send to all of you my best wishes for your work.

TC 12 NEWS

Changes in TC12.

Some changes in the membership of TC12 occurred since the last Newsletter.

- Dr. Kee Hoon Kang, Korea Research Institute of Standards and Science (KRISS), South Korea, has joined the Committee.
- Dr. Renato Teixeira, Instituto Nacional de Metrologia, Normalização e Qualidade Industrial (INMETRO), Brazil, has joined the Committee.

A cordial welcome is extended to the new members and many thanks are due to the persons that they replaced, for their work in previous years on behalf of the TC12 Committee.
